## Mum faces court trial for murder of her sons

A MOTHER will go on trial later this year charged with murdering her two teenage sons.

Sarah Barrass appeared at Sheffield Crown Court yesterday accused of killing Tristan and Blake Barrass, aged 13 and 14 respectively, following an incident at a house in Sheffield.

She appeared for a 10-minute long hearing alongside 37-year-old Brandon Machin, who is also accused of murdering the two boys.

Barrass, 34, is also charged with three counts of attempted murder against two other children.

Judge Roger Thomas QC fixed a trial date for November 12, at Sheffield Crown Court.

He said they will appear again for a hearing at the same court on June 21, and at the end of the hearing, remanded the pair in custody.

Police were called to a house in Sheffield's Shiregreen area at 7.30am on Friday.

Detectives have given no indication about the nature of the incident, but have confirmed it was at one property and was not a shooting.

## Corbyn will go to D-Day event

LABOUR leader Jeremy Corbyn will attend a D-Day commemoration event with U.S. President Donald Trump.

Mr Corbyn, who is refusing to attend the state banquet in the president's honour, will join dignitaries including Prime Minister Theresa May and the Queen at the event to mark the 75th anniversary of the allied invasion of Normandy at Southsea Common, Portsmouth next Wednesday.

Mr Corbyn said last month he "would welcome a meeting with President Trump."

# You can't f#@king say that, Susannah!

**GOOD Morning Britain** has escaped censure by the broadcasting watchdog after Susannah Constantine swore live on air.

The former *What Not To Wear* host, 56, was on the ITV breakfast show to discuss sleeping in a separate bed from her husband.

The ex-*Strictly Come Dancing* contestant told the programme: "We've been married for nearly

24 years and it was important for us, for our children, when they were young, to see us going to bed together, sleeping together and having a united family unit.

"Now they're older and they understand, I'm like 'Oh f\*\*k's sake'."

Host Ben Shephard told viewers: "Apologies to anyone (who heard) Susannah express herself. It's not the time in the

morning to be doing that, Susannah. Did you have a good night's sleep?"

The fashion guru said the swearing "just popped out". Broadcasting watchdog Ofcom has said it considers the matter "resolved".

ITV said producers "had no reason to believe that bad language" would be used by Constantine, "an experienced broadcaster and journalist",

when she appeared on the show in March.

They said the show always reminds its guests not to swear before they appear, Shephard apologised immediately and steps were taken to remove the offensive language from ITV+1 broadcast and from on-demand.

"In light of the above," the watchdog said, "Ofcom's decision is that this matter is resolved."

# CAMPBELL'S IN THE SOUP!

## Blair pal Alastair chucked out of Labour for voting LibDem

SAD: But ex-spin doctor will appeal

TONY Blair's former spin doctor Alastair Campbell has been expelled from the Labour Party after admitting he voted for the Liberal Democrats in the European elections.

Mr Campbell, a leading campaigner for a second referendum on Brexit, said he was "sad and disappointed" by the decision.

A Labour Party spokesman stated that "support for another political party or candidate is incompatible with Party membership".

Mr Campbell, one of the key players in the New Labour era, insisted there was "plenty of precedent" of members voting for other parties or causes.

And he pointed out Labour leader Jeremy Corbyn's own rebellious past in Westminster votes when Mr Blair was Prime Minister.

### Tactical

Mr Campbell also said there was a difference in the swift way his situation had been dealt with compared to "the way anti-Semitism cases have been handled".

He said he would be appealing the decision to throw him out of the party.

In a series of posts on Twitter, Mr Campbell said the email informing him of his expulsion came as the Labour leadership "finally seems to be moving to

the right place on Brexit, not least thanks to tactical voting by party members, including MPs, councillors and peers" who back a so-called People's Vote.

"I was not intending to publicise this at this stage, but have had calls from friends in the Party telling me it is now widely known and likely to be leaked.

"I have been advised by lawyers with expertise in this field I have grounds for appeal against expulsion and shall do so.

"I am and always will be Labour."

Mr Campbell added the "approach also contrasts with our era" when Mr Blair was pressed to withdraw the whip from Mr Corbyn for "persistently voting against Labour in Parliament" but said no.

# EVEREST CLIMBERS QUEUE PAST CORPSES

MOUNTAINEERS hoping to reach the summit of Mount Everest are having to walk past frozen dead bodies.

A pic of climbers stepping over a corpse was shared to highlight the dangers on the peak.

Canadian filmmaker and mountaineer Elia Salkaly posted the image on Instagram after scaling Everest for the third time.

He told how this climb would be his last after witnessing: "Death. Carnage. Chaos".

He added: "I have a lot to say and share. I cannot believe what

I saw up there. Dead bodies on the route and in tents at Camp Four. People who I tried to turn back who ended up dying.

"People being dragged down. Walking over bodies. Everything you read in the sensational headlines all played out on our summit night."

The carnage on the mountain was summed up by the eerie photo that was taken on the Hillary Step on May 23.

It shows at least 18 climbers walking inches apart from each other on a ledge as the frozen body lay directly beneath them.

The post was shared as news emerged that the death toll on the mountain over the past nine days has climbed to 11, after a 61-year-old American died on his descent.

## Most Brits polled back Trump visit

DONALD Trump's state visit to the UK is backed by a majority of Britons, a survey has found.

There were huge protests when the U.S. president (*above*) came to Britain last year and more are expected when he arrives for the three-day state visit next week.

But the YouGov poll found 46 per cent of those surveyed think the visit should go ahead, while 40 per cent want it cancelled.

Mr Trump and his wife Melania will be welcomed by the Queen, joined by the Prince of Wales and Duchess of Cornwall, at Buckingham Palace on June 3.

The Duke of Sussex will be at the private palace lunch held on the first day for the Trumps but wife Meghan, whose son Archie will be less than four weeks old, will not.

At the state banquet in the palace's ballroom, the Duke and Duchess of Cambridge will join the Queen and Charles and Camilla and top Brits and Yanks.

CAR theft victims are getting a payout from insurers every eight minutes, according to new data.

Around £108m – or £1.2m a day – was paid out in claims in the first three months of the year, says the Association of British Insurers.

This was up 22 per cent on the same period in 2018 and comes as campaigners and politicians call on car companies to improve security, especially for keyless cars.

The Home Office recently revealed that vehicle thefts over the last five years have jumped 50 per cent, with keyless cars being targeted by criminals.

In total, 16,000 claims were settled by insurers during the period, the highest quarterly figure in seven years.

# JEALOUS WIFE BROKE PAL'S NECK FOR SNOGGING HER HUBBY

By ROB KENNEDY [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**RAGING** Susan Robson broke her friend's neck after finding her in a "compromising position" with her husband.

When victim Kirsty Adjei-Mensah decided to leave Robson's home after a party, her husband offered to walk her part of the way home.

Robson noticed that her husband and friend were both missing from the house, became suspicious and went looking for them.

Upon finding them either about to kiss or kissing, the 37-year-old "lost the plot", exploded into a rage and attacked Miss Adjei-Mensah after her husband had run off.

### Kicked

Newcastle Crown Court heard she punched her, hit her with her handbag then repeatedly kicked her near her home in Kenton.

The victim suffered a fractured neck, had to have surgery to fit a halo neck brace, which she had to wear for three months and is continuing to suffer pain a year on.

Now Robson, who admitted causing GBH with intent on the basis that she lost her temper after finding the pair in what she believed was a

**VIOLENT RAGE:** Susan Robson

"compromising position", has been jailed for four years.

In a statement read to the court, Miss Adjei-Mensah said: "I thought I was going to die by the roadside. I can still see Susan assaulting me and smirking and I can hear the crack as my neck broke."

It was in May last year that people had been at Robson's home socialising and drinking.

Prosecutor Emma Dowling said: "There came a point in when the complainant said she'd had enough and wanted

to go home.

"The defendant's husband offered to walk her part of the way home, saying he wanted to visit his mother on the way back, which he did."

Robson then went looking for them and saw when her husband came out of his mother's home, he was alone with Miss Adjei-Mensah.

Miss Dowling said: "The defendant formed the view the defendant's husband was about to kiss her."

"The complainant became

aware of the defendant and her daughter shouting and screaming at her and the defendant's husband ran off.

### Lull

"What is clear from CCTV is she was repeatedly assaulted by the defendant in two separate incidents five minutes apart in the same location, next to some garages."

That part of the attack lasted up to two minutes and when Miss Adjei-Mensah got

up there was then lull until Robson struck again, kicking her around seven times.

The court heard it was unclear when the top vertebrae in her neck was fractured but that it required "quite a bit of force".

Police attended and the victim lost consciousness while talking to officers.

Robson has eight previous convictions, including one for GBH in 2016 when she attacked a woman she accused of jumping a taxi queue.

## Personal trainer found dead on Bahamas lawn

A BRITISH personal trainer has reportedly been found dead on a lawn at a property in the Bahamas.

Father-of-one Dannie Lea, 29, from Stoke-on-Trent, died last weekend, according to the local authorities.

The Royal Bahamas Police Force spokesman said: "Police have officially identified the male who was discovered dead at Port New Providence as Dannie Lea, aged 29, of Great Britain."

"An autopsy will be performed to determine the exact cause of his death. Investigations are ongoing."

A former partner of Mr Lea (above) described him as "kind and gentle".

A Foreign Office spokesman said: "Our staff are supporting the family of a British man following his death in The Bahamas and are in contact with the Bahamian authorities."

Local media are suggesting Mr Lea may have been attacked before his body was discovered on the lawn of a home in the capital of Nassau.

No arrests have been made.

A MANHUNT has been launched after two women were accosted by a pervert who was touching himself at the same time.

A 54-year-old victim's arm was grabbed by a man carrying out a sex act on himself at an underpass in Glasgow on Saturday.

She managed to shake off the attacker and head towards the nearby St George's Cross subway station.

The sexual assault suspect is described as white, 25 years of age, with untidy dark brown hair and was clean shaven.

Just two hours later a man exposed himself to a second woman, aged 25, while committing the same indecent act in the Botanic Gardens near the Arboretum.

It is not clear if the pervert in each attack is the same person.

**RAPPER Iggy Azalea has vowed to take legal action after naked pictures taken for a magazine were leaked online.**

The Sydney-born musician posed for *GQ Australia* in 2016 and out-takes from the photoshoot have now appeared on the internet.

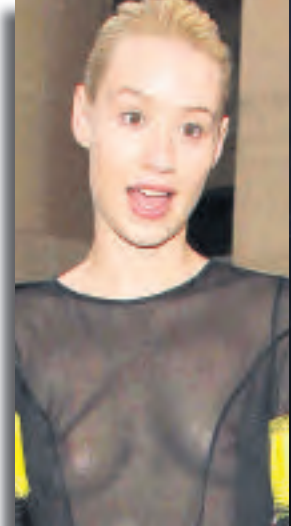

Iggy, best known for her hit songs *Fancy* and *Black Widow*, said she feels "violated" by the leak.

There is no suggestion *GQ* were involved in the leak and Nino Munoz, the photographer, said he was "outraged", adding he "will not rest until justice is served".

The pictures turned up on the internet last week. In a statement released on Twitter on Monday, posted before deleting her account, Iggy, 28, said: "Today I am a ball of negative emotions. I feel blindsided, embarrassed, violated, angry, sad and a million other things."

"Not solely because I did not consent to this, but also because of the vile way people reacted."

Iggy said she has been

"disturbed" by some of the comments about her body from men, adding: "The outright wicked things people say is overwhelming and makes me feel like throwing up."

She described the experience of being the victim of leaks as like a "nuclear bomb that explodes".

She vowed to press charges against the person who leaked the pictures, saying: "It's important to me that someone actually be held accountable for their actions and the way it impacts my life."

# SKATEBOARD GROPE PERV FACING JAIL

A SKATEBOARDER who groped a woman after chasing her to her front door is facing jail.

Jordan King, 25, attacked the woman at 7am on New Year's Day as she returned home from a night shift.

Prosecutor Jennifer Gatland told Westminster Magistrates' Court: "The complainant was on the bus after work."

The victim got off the bus in Hammersmith, west London. "She was being followed by Mr

King," said Ms Gatland. "Mr King approached her and tried to kiss her."

"He then grabbed her body around her buttock area. He also grabbed her genital area on the outside of her pants."

Ms Gatland said the victim began 'shouting for help' before rushing to her front door, where her boyfriend answered.

"Mr King then followed her all the way to her front door before leaving and walking away."

"It seems that Mr King was detained shortly afterwards, I understand a description was provided."

"Due to his demeanour and appearance, he was taken to hospital."

In a statement read to the court, the victim said: "I was scared, I thought I was going to be raped."

"If my boyfriend hadn't come to the door, I believed he was going to rape me."

"He tried pushing the front door

open. I would describe him as using his whole hands and his fingers."

"The whole incident has made me scared to travel on my own."

In interview, King told police: "I was aware I caused harm to someone. I remember trying to kiss a woman and that she was distressed."

King, of Westcliff-on-Sea, Essex, admitted sexual assault.

He was committed to Isleworth Crown Court to be sentenced at a later date.

# UNHAPPY HOLIDAY!

## Nearly HALF of our women cheat when they go abroad

**AROUND four out of 10 holidaymakers have cheated on their partner while on a break, according to a new survey.**

Women are more likely than men to have a holiday fling.

Almost half of women (46%) said they had played away while on a break, compared to 42% of men.

And what happens on tour tends to stay on tour, because only 15% of women and 13% of men have confessed to their partner about being unfaithful while holidaying without them.

The most popular occasions for a holiday fling are stag and hen dos.

More than a third of women (36%) admitted straying while away with hen pals and 32% of men have done the same on a stag do.

The results are from a new survey of 2,000 people, split evenly between the sexes, by IllicitEncounters.com, the UK's leading dating site for married people.

It found that the main reason people cheat when they are away is because they were unlikely to get caught – chosen by 42% of women and 39% of men.

By JAYNE FERGUSON  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Other reasons for cheating included the sun being an aphrodisiac, my mates were doing it, I drank too much and an opportunity came up and I thought I would go for it.

Only 17% of women and 13% of men have regretted having a holiday fling.

And even fewer have been caught out by their partners – 14% of women and 12% of men.

### Partying

Two-thirds of women who have had holiday flings (63%) said they would do it again, along with 59% of men.

Almost all holiday flings happen when people are away with friends.

Only 8% of women and 11% of men have cheated while they were on a break with a loved one.

One in six women (16%) and 14% of men have had flings at home while their partners were partying abroad with friends.

Jessica Leoni, of IllicitEncounters.com, said: "The sun is shining and we are about to enter peak cheating season with so many of us heading abroad for some fun."

"Many people who wouldn't dream of cheating on their partners at home suddenly feel this compulsion to cheat when they go away with their mates."

# ARTIST STALKED NUDE MODEL FOR 13 YEARS

**A RENOWNED artist who stalked a life model for 13 years has been banned by a court from contacting her for life.**

Walter Kershaw, 78, who has appeared on BBC TV and radio shows, was arrested after he repeatedly hounded Catherine Mitchell after the break-up of their 12-month affair, which began in 2006 when she asked him to paint her portrait.

During his 'predatory' stalking campaign, twice-married Kershaw pursued his ex-lover around their hometown, waiting outside a church and following her around the aisles of a supermarket telling her she was beautiful.

## Kisses

He sent her love letters and romantic cards and would drive slowly past her home blowing kisses at her.

He also gave a head and shoulders oil portrait of Miss Mitchell pride of place in the front window of his art gallery in Littleborough, near Rochdale, Greater Manchester.

Miss Mitchell would take taxis to avoid him and even trudged across muddy fields at the back of her home so she would not encounter him outside her home.

In 2013, Kershaw was ordered to keep away

By **COLIN HURST**

from Miss Mitchell under the terms of a restraining order.

He was even banned from displaying a photo, painting, sketch drawing or any image of the victim.

But he repeatedly continued harassing Miss Mitchell and was arrested again after he spotted the victim, now 48, near a park on

Christmas Eve last year.

During the incident, he repeatedly told Miss Mitchell "I adore you" – forcing her and her mother to flee in a taxi.

Kershaw admitted three breaches of a restraining order at Manchester magistrates court and was banned from contacting Miss Mitchell indefinitely.

He was sentenced to 20 weeks jail suspended for a year and was ordered to complete 100 hours unpaid work.

# JLS STAR ORITSE CLEARED OF RAPE

By COLIN HURST [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**FORMER JLS star Oritse Williams has been cleared of raping a woman in his hotel room following a concert.**

Jurors at Wolverhampton Crown Court unanimously acquitted the 32-year-old singer, who told the jury he had consensual sex with the woman in December 2016.

Williams's tour manager, 32-year-old Jamien Nagadhana, was also cleared of two sexual assault charges relating to the same woman.

The prosecution had alleged Williams tried to have sex with the woman, who cannot be named, and then raped her when she returned to his hotel room to look for her belongings.

The singer, from Croydon, south London, told the court he had a consensual encounter with the complainant, which ended in embarrassment when he was "unable to perform" sexually.

## Threesome

Nagadhana, from Hounslow, west London, told the court he touched the woman in a bid to start a threesome, reasonably believing she was consenting.

The trial was told Williams had met the woman at a meet-and-greet event at a nightclub.

His barrister, Mark Cotter QC, described the woman's assertion that she could remember

**WILLIAMS: 'I was unable to perform sexually'**

sitting on Williams's lap at the club as "the understatement of the year".

Referring to CCTV from the venue which showed "three-way" kissing and the complainant and two female friends behaving in a raunchy, sexual way, Mr Cotter said: "Right at the end (the alleged victim) is on top of Oritse Williams."

Mr Cotter said of the rape allegation: "There is no realistic answer as to why he would do it."

"There is plenty of evidence, we suggest, that something happened between them and that the description given to the police at the time (by the alleged victim) is not true and accurate."

Williams said the woman asked to spend the night with him and thanked him when they parted company.

He added that the woman had pulled him out of the nightclub after initiating a "highly sexually charged" display in the venue's VIP area.

**A WOMAN who sexually abused a 14-year-old boy after spending the night drinking with his family has been jailed.**

Lisa Moorefield, 32, had sex with the teen behind the back of his mother, who was one of her friends.

At Aylesbury Crown Court, Moorefield admitted five counts of inciting a boy to engage in sexual acts.

The court heard Moorefield, of Salisbury, Wilts, was flattered by the attentions of the teenager when she met him and flattered him in return.

The pair drank alcohol together with the schoolboy's family and went on to have sex on at least four occasions.

Moorefield was jailed for two years and will spend 10 years on the Sex Offenders' Register.

"After having DJ and with my weight fluctuation over the years, it feels like a good time to do it."

Kerry first had breast implants in 2004 following her split from first husband, former Westlife singer Brian McFadden.

In 2008 she had her implants taken out, and in 2009 got them lifted again for free while on TV show *Whole Again*. Now she is hoping that it's third time lucky as she prepares to undergo her third boob lift.

She has regularly complained on social media that she lost her 32FF chest as a result of her dramatic weight loss.

## 42 die in lags' murder spree

**FIGHTING** among inmates at three different prisons resulted in 42 killings on Monday, say authorities.

The deaths came a day after 15 died during fighting among lags at a fourth prison in Manaus, the capital of Brazil's northern Amazonas state, where England lost 2-1 to Italy in the 2014 World Cup.

The state prison agency said all 42 prisoners found dead showed signs of asphyxia.

The killings across the city's prisons recalled early 2017 when more than 120 inmates died at the hands of other cons during several weeks of fighting among rival crime gang members at prisons in northern states.

Many of those victims had their heads cut off or their hearts and intestines ripped out.

## Woman loses her head in lift

A WOMAN was decapitated after she got her head stuck in the doors of a lift.

Cops believe the cable from her earphones may have got tangled in the collapsible grille, resulting in her horrific death.

Sushila Vishwakarma, 48, from Uttar Pradesh, northern India, was making her way up to the third floor of the plastics manufacturing factory when tragedy struck.

Her severed head was found on the ground floor, but her body was dragged up with the lift to the third floor.

A police spokesman said "The elevator,

which is without a roof, is used specifically for carrying goods."

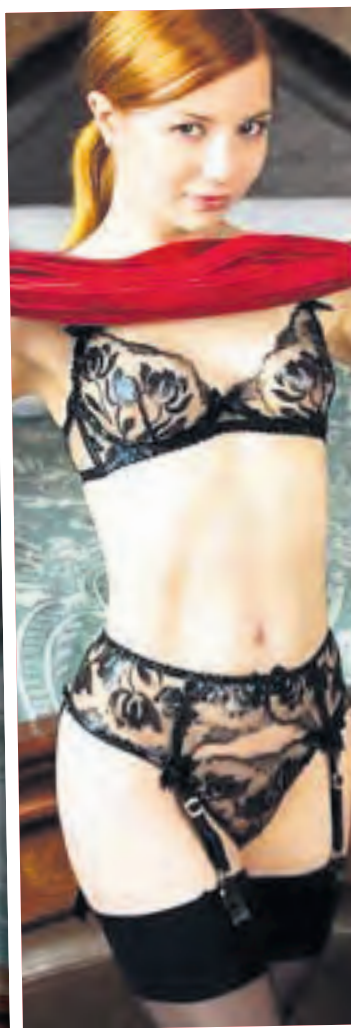

"We are speculating that she was using her phone and absent-mindedly she tried to stick her head outside the lift, which started going up, and the accident happened."

"Her body was dragged till the last floor and her head got severed."

"Her body was retrieved with the help of fire officials and handed over to the family after the post-mortem."

A case of accidental death was recorded but police said that they are trying to establish whether or not the lift was faulty.

# MEET THE WORLD'S HIGHEST PAID HOOKER

**Irish redhead earns £1m-a-year in legal brothel**

**GOOD LITTLE EARNER:** Alice rakes it in at the Moonlite Bunny Ranch (below right)

By **JAYNE FERGUSON**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**THIS sexy ginger babe reckons she's the highest paid hooker in the world - raking in £1MILLION a year at a legal brothel.**

Irish cutie Alice Little, who is just 4ft 8in tall, began working at the famous Moonlite Bunny Ranch in Carson City, Nevada, three years ago. With sessions starting from \$2,000, Alice revealed how she put in up to 80 hours a week - including her work as a sex educator, sex toy reviewer and sex writer.

And 27-year-old Alice - who was just five when her family left Dublin for the US - loves that her work allows her to form personal connections with clients, who are often surprised by her normal upbringing.

## Spark

She said: "Everyone has their preconceived notions of what a sex worker looks, sounds and acts like. "But I don't fit any of those stereotypes. I'm a petite Irish lady, I'm well-educated and well-spoken."

"I am not the victim of tragic circumstance. I had options and I chose to be a legal sex worker. "Yes, on purpose!"

"Despite sex work being so highly stigmatised, I love my job because I get to help people rediscover personal connections and intimacy."

Flame-haired Alice said her parents' divorce when she was in her teens reinforced to her the importance of intimacy and romance in a marriage.

That's why she specialises in working with couples trying to reignite the spark in their relationship.

Alice helps them "rediscover intimacy, improve bedroom communication, explore safely and fulfil fantasies".

She explained: "I believe seeing a legal sex worker when your relationship needs fine-tuning is just the same as going to a mechanic when your car needs repairs."

"I love working with couples because of the special chemistry that already exists."

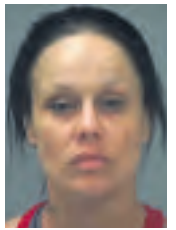

"Legal sex workers can take the fear out of trying new things. Having an expert like me show you how to engage in flogging, spanking, roping, role-play, domination and more can bring a new thrill to your sex life."

The Moonlite Bunny Ranch was owned by sex tycoon Dennis Hof, who died aged 72 in 2018.

According to Nevada law, all sex workers operate as independent contractors and are able to choose what services they offer and set their own rates.

Alice, who undergoes rigorous sexual health testing, chooses to work through appointments.

She added: "I chose this profession because I wanted to help people connect in meaningful ways. I stayed because I love changing the world's intimacy habits, one person at a time."

## Lesbo bashes lover for putting drugs in washing machine

A LESBIAN battered her new wife with a bedpost for accidentally putting their marijuana in the washing machine.

Ashley Perkins, 30, (above) attacked her spouse of six weeks Ruth McClellan-Perkins while visiting family in Navarre, Florida.

After police and paramedics were called to the scene, Perkins initially claimed her wife accidentally injured herself by rolling over the bedpost during the argument.

While being taken by police to jail, Perkins then reportedly changed her story to claim that Ruth had beaten herself up with the piece of furniture.

Perkins, who lives in Youngsville, Louisiana, has been charged with aggravated battery causing bodily harm or disability.

Her alleged beating left Ruth suffering a suspected fractured left arm, as well as bruises to her head and lacerations on the same arm.

Perkins was booked into jail on £20,000 bond.

## Plane nutter dies after he battles crew

A FLYER who tried to strangle a woman, fought with crew and shouted that everyone was going to die ended up dead himself.

The flight had just left Domodedovo Airport in Moscow when the nutter went berserk.

Eyewitnesses reported that he immediately started shouting that the pilots had fallen asleep and that everyone was going to die.

Then the man tried to strangle a female passenger. He also struck another passenger with a mobile phone.

The deranged loon was wrestled to the ground but was seriously injured in the melee.

The pilots flew back to Moscow, where the man died almost immediately upon arrival.

## Girl, 11, among three dead in Kawasaki bus stop stabbing

A MAN carrying a knife in each hand and screaming "I will kill you" attacked a group of girls as he walked towards a school bus parked at a stop just outside Tokyo.

The attacker killed two people and injured 16 others before killing himself, officials in Japan said.

Most of the victims were schoolgirls who were lined up at the bus stop, near Noborito Park in the city of Kawasaki, when the man began slashing them with knives.

City officials said the suspect was captured but died from a self-inflicted cut.

Television footage showed emergency workers giving first aid to people inside an orange tent set up on the street.

Hospital officials at a televised news conference confirmed the death of schoolgirl Hanako Kuribayashi, 11, from Tokyo, as well as that of a man in his thirties.

Doctors at St Marianna University School of Medicine said a man in his fifties – believed to be the attacker – died after being brought in from the crime scene with neck injuries.

## Bafta Best Actress Jodie reveals her first question about *Killing Eve* role

# 'HOW NAKED IS SHE GOING TO BE?'

**LUCKY FOR US:** Jodie got her kit off in the film *Thirteen*

**KILLING Eve** star Jodie Comer reckoned producers wanted to see her busters when they asked her to play an assassin in the drama – and wondered how "naked" she would have to be.

The star, 26, scooped best actress at the TV Baftas and shot to fame in the US thanks to her female assassin role.

But the Scouse beauty said she was dubious at first and wanted to know how much stripping off would be involved.

### Catsuit

"I was like, 'Oh, f\*\*k no'. Because I always think of someone in a leather catsuit and six-inch heels scaling walls," she said of the assassin role.

"Also, 'How naked is she going to be?'"

The reality of playing the cold-hearted assassin was different and Comer added: "I

should have known better, knowing Phoebe (Waller-Bridge) was the writer."

It would not have been Jodie's first time in the buff on screen. She revealed her dainty busters in the 2016 flick *Thirteen*.

And in 2012 she played a naked CORPSE in *Silent Witness*.

The actress also said she would wear murderous Villanelle's designer outfits on her days off, before it started to feel a little weird.

"They had too much of a connection with the character," she said of her psychopathic alter-ego.

Her character's clothes – such as her pink tulle dress, power suits and bomber jackets – have won legions of fans.

And Comer said of Waller-Bridge: "I've said to her she has to cast me on every single thing she makes from now on."

"Otherwise I'll send Villanelle!"

# TOP COP IS SUSPENDED OVER 'SEX ROMP IN CAR'

A TOP cop who was allegedly caught having sex at a park and ride facility has been suspended.

Chief Superintendent Gareth Blair, 48, is said to have been found by colleagues engaged in an act of public indecency with a woman who is not his wife.

Public indecency is categorised as "engaging in sexual activity in public view, or intentional exposure of the genitals in a public place".

An investigation into the matter was

launched by the police watchdog PIRC and it is now reported that he has been suspended from duty after being called in to St Leonard's police station in Edinburgh over the weekend.

### Arrest

A source said: "He was accompanied by an assistant chief constable, then escorted to his office by a chief superintendent and told to clear his desk before he was escorted out."

"He's likely to be suspended until the

PIRC and the Crown Office have carried out their investigations."

They added that Blair was originally questioned by police after the alleged incident took place at a park and ride in Hermiston, Edinburgh.

It is not known if the woman involved, believed to be in her 20s, has also been reported.

Blair, who was on a golfing holiday when news of his arrest became public, took up his post as commander of Edinburgh Division last June.

# OUR CRIME MYSTERIES CONTINUE WITH A LIFE ENDED IN

WEAPON: Metal tent peg used to kill Billie-Jo

# 'I just want to find out who murdered Billie'

**Foster dad Sion Jenkins wants justice for teenager killed in her back garden**

**TRIALS:** Sion Jenkins spent six years in jail for crime he did not commit

By **JAYNE FERGUSON**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**THE murder of 13-year-old Billie-Jo Jenkins in 1997 in Hastings has been an ongoing case of accusation and speculation.**

A young girl innocently painting patio doors at her home had her life taken in the most brutal way – with her skull caved in with a metal spike.

Her foster father, Sion Jenkins, has been tried three times for her murder, spent six years in prison, and yet was eventually acquitted of all charges.

It leaves a family in a desperate state, with no resolution or justice, or knowledge of who killed Billie-Jo.

## Care

Billie-Jo Jenkins entered into the foster care system aged nine after her father was imprisoned and her mother struggled to cope raising her alone.

Placed with the Jenkins family, of the same surname but no relation, she had found a settled and by all appearances loving home and family – Sion and Lois Jenkins had four daughters of their own and opened their home to Billie-Jo in 1992.

They moved to Hastings soon after, following a deputy head teacher position for Sion Jenkins at a local school.

On February 15, 1997, Billie-Jo was painting the patio doors on the back porch of their home. Lois Jenkins and two of her daughters were out, and Sion Jenkins and

## BRITAIN'S UNSOLVED CRIMES

their other two daughters were going to the shops to purchase supplies for the ongoing DIY project.

They left the house, and according to his daughters, Annie and Charlotte, Sion realised he did not have any money on him.

They returned to the house and the girls waited in the car while Sion ran into the house to collect some money. Three minutes later he returned and they went on their way again to the shops.

They came back home 15 minutes later and found Billie-Jo on the ground after clearly suffering a violent attack. She had been hit over the head with a large metal tent peg causing terrible head injuries.

Despite a call to emergency services and the quick arrival of paramedics, Billie-Jo Jenkins died on that patio.

Three weeks after the murder, Lois Jenkins made a statement to police about

domestic abuse in the home and the violent and volatile temper she had witnessed from Sion Jenkins during their marriage.

A week later, he was arrested for the murder of Billie-Jo.

A forensic examination of the scene and the clothes of Sion Jenkins revealed over 100 blood spots on the fleece jacket he was wearing that day.

This, according to police, was proof that he was responsible for the murder and was the key piece of evidence which convicted him of murder at his first trial on July 2, 1998, where he was sentenced to life in jail.

Lois Jenkins divorced Sion and moved her family to Tasmania in Australia to try to rebuild their lives after the horrendous events of the previous year.

**B**UT the matter wasn't over. The droplets of blood found on Sion Jenkins's clothing were the source of debate between the prosecution, the defence and the witnesses called in his subsequent trials for murder.

According to the defence and expert witness Prof David Denison, a specialist in lung disease, the stains were transferred to Sion as he tended to Billie-Jo after finding her already injured.

He testified that they were a result of "expiration spatter", a release of fine blood droplets from blocked airways as Sion moved Billie-Jo when trying to help her.

The prosecution argued these stains were "impact spatter" made during the attack on Billie-Jo, proving he was her killer.

The first appeal by Sion Jenkins failed in 1999. However, his case was taken on by the Criminal Cases Review Commission in 2001. After investigating for two years, they felt there were enough grounds for a retrial, referring the case back to the Courts of Appeal.

In 2004, Sion Jenkins won his appeal against his conviction which was deemed unsafe, and he was released on bail pending a new trial.

## Money

A second issue was the timescale involved when Sion Jenkins was alleged to have murdered Billie-Jo.

The prosecution stated the three-minute period where he returned to the house to collect money was enough time to commit the assault, but the defence highlighted whoever committed this crime would have been covered in Billie-Jo's blood.

His daughters did not report a change of clothing when he returned to the car, nor did the police find any clothing within the house pointing to this theory. The lack of obvious blood on his clothing and the lack of time for him to get changed, they claimed, suggested he wasn't the killer.

And little evidence in terms of a motive for why Sion Jenkins would kill his foster daughter has ever been presented.

Two more trials followed. In the first after a deliberation by the jury of 39 hours, a majority verdict could not be reached, and a third trial was ordered.

In this third and final trial, once again the jury could not reach a majority verdict based on the evidence they had heard.

In February 2006, at the Old Bailey, it

was declared that Sion Jenkins was not guilty of murder, and he was formally acquitted of all charges.

**B**UT who *was* responsible for Billie Jo's death? Around the time of the murder, the Jenkins reported they were concerned about prowlers and break-ins to such an extent that they fitted window locks and security lights.

There had been reports of a mysterious man who was known to hang around the area and who has been highlighted as a possible suspect in this murder case.

He was identified by police but has not been named and it was revealed he suffered from mental health problems.

Reports suggest he was in the area at

the time of the murder but police have stated his exact whereabouts have been accounted for the time of the murder.

Another line of enquiry is the fact that Billie-Jo had expressed concerns to friends that she was being followed by a man in a leather jacket some months before the murder.

Links have been made to known Antoni Imiela, the so-called 'M25 Rapist' who attacked a number of girls and women in the Kent, Surrey and London area.

Imiela was living near Billie-Jo's home in 1997, and he fits the description of the man Billie-Jo had said was following her.

There are also similarities between the murder of Billie-Jo and Imiela's victims. A small piece of black bin liner was found in Billie-Jo's nostrils, evidence for which there has been no explanation. Imiela often thrust black bin bags over the heads of his victims during his attacks.

He is currently serving a life sentence after being convicted of multiple rapes dating back to 1987.

The murder of Billie-Jo is a crime which many people are unable to forget. A young girl on the back porch of her home who was brutally attacked and left for dead.

In light of the acquittal of Sion Jenkins, a 'stranger-murder' is an avenue of investigation – that someone unknown to Billie-Jo entered into the grounds of her house that day and took her life.

## Haunting

At present, it seems this haunting case is not being re-investigated by police, years after Sion Jenkins was acquitted of all involvement in the murder.

He has tried to rebuild his life since his acquittal.

He has remarried and has studied criminology, but the scene he says he found that day in February 1997 still haunts him.

He said: "I want to find out who murdered Billie, then I will never talk about it again."

# MEMORY DUMP!

## Woman suffers amnesia after straining for a poo

A MUM lost 10 years of her memory after she did a massive POO.

Her son said she had experienced constipation two weeks earlier and was feeling uncomfortable.

She had gone to the toilet to relieve herself and spent quite some time inside – but when she came out, she was suffering from amnesia.

Her family discovered she'd forgotten everything that happened over the past 10 decade.

Luckily for the woman, whose identity was not revealed for medical reasons, her memory came back after eight hours – but then she didn't remember having had amnesia at all.

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

## Cable

Later, a neurosurgeon in her home city of Hong Kong explained that it was caused by her efforts to lay a cable.

He explained that this amnesia was due to the excessive force she exerted when she strained to empty her bowels.

The excessive force led to an increase in abdominal and cerebral pressure which caused a lack of oxygen flow to her brain, resulting in a

short-term memory loss.

The doctor also said that people who are highly emotional or frequently carry heavy objects have a higher risk of suffering from the condition.

He advised those who experience a similar situation to always go for a check-up.

He added that those people are 30 per cent more likely to suffer a stroke compared to an average person.

He was located and the Egyptian girl and gang arrested.

# Parky 'not sorry' for Helen slut comments

**SIR Michael Parkinson is NOT sorry for calling Dame Helen Mirren a "SLUT" during an interview in 1975.**

The veteran broadcaster introduced her as the "sex queen" of the Royal Shakespeare Company before quoting a critic's description of her as projecting "sluttish eroticism".

During the interview, Sir Michael asked the then-30-year-old if her "equipment" distracted audiences and if serious actresses can have "big bosoms".

Dame Helen later described Parkinson as a "sexist old fart".

## Sexist

Despite the dawn of the #MeToo era and a changing in social standards, Sir Michael has declined to apologise fully for the interview.

Speaking on *Piers Morgan's Life Stories*, Sir Michael, 84, said: "I feel it's of its time, and of its time it's embarrassing. It was

But when Morgan suggested the comments were sexist, Sir Michael replied: "Well, maybe. But nobody got hurt, nobody died."

The former chat show host, who retired in 2007, said he had since interviewed Dame Helen but they had not discussed the dispute.

Sir Michael added: "She said what she had to say, I said what I had to say, and that's the end of it."

## Drugs-up-bum criminal shot himself in balls

A BUNGLING criminal who accidentally shot himself in the BALLS was storing drugs up his BUM.

Cameron Wilson, 27, was carrying a pistol in his front pocket while in his apartment in Cashmere, Washington, when the firearm discharged.

Serial convict Wilson (above) told his girlfriend to dispose of the weapon before heading to hospital.

But as a doctor was operating on the gunshot wound, a balloon of marijuana slipped out of his bottom.

Cops arrived at the hospital and searched Wilson's car, where they discovered a bag of meth in the bloodstained jeans he was wearing when he shot himself.

Wilson was charged with possession of a firearm, unlawful possession of meth, possession of a controlled substance in a correctional facility and four counts of tampering with a witness.

A police source said: "He'll have fun explaining all of this to his fellow cons in jail."

## Movie star shows her boobs (and hairless pussy) in new film

**CHEST AMAZING:** Julianne sizzles in steamy sex scene

## NEVER mind Girl Power – this is MILF Power!

Gorgeous Julianne Moore still looks amazing naked at 58 – and even shows off her hairless pussy – cat! – in the new film *Gloria Bell*.

The film is a remake of Sebastian Lelio's 2013 Chilean drama *Gloria*, which chronicles the everyday life of a 50-something divorcee searching for love at LA dance clubs and looking after her adult children and new grandson.

She begins a passionate courtship with the also-divorced Arnold, played by John Turturro, whose unscrupulous behaviour briefly sends her on a downward spiral of reckless partying and sex hook-ups – and then back on the path to self-discovery.

*Gloria Bell* forced Moore to step outside her comfort zone. The actress appears nude in a handful of scenes, some of them sexual,

By GRACE HOOPER [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

which hasn't got any easier for her since she first disrobed in 1993's *Body of Evidence*.

She said: "Somebody asked me, 'How do you become comfortable?' And I'm like, 'You don't. Nobody's comfortable'."

"But we were very sparing and very specific about it, just because we wanted to lend it a level of reality."

"If suddenly somebody's sitting there all covered up at home, you're sending a signal to my brain that this isn't true and you're taking viewers out of the story."

One long-time Julianne fan said: "Phwoar!"

# SCHOOL BUS DRIVERS CAUGHT IN 'LEZZA SEX ACT' IN KIDS' SEATS

TWO women bus drivers were caught on camera performing "a sexual act" in broad daylight.

The video first shows two women sitting on a bus in broad daylight kissing, then moments later possibly engaging in a sex act.

School board member Betsy Vaughn, of the Lee County School, Florida, said she was shocked because the

video shows the incident happening right where children sit.

"It's very disturbing that something like this occurred on one of our buses," Vaughn said.

## Disciplined

The school said in a statement: "We followed standard due process and disciplined the drivers."

But Vaughn raged:

"This is just another example of something that's happened and the information wasn't passed along to the school board."

She added: "This lack of communication, the free flow of communication, is an ongoing problem and it needs to stop."

It's not known if the bus drivers still work for the school district.

# THE WORLD FAMOUS AGONY Page

I WENT to a neighbour's barbecue the other day and his wife started eating a sausage suggestively while looking at me.

I knew I was on to a winner. She's 44, blonde with a cracking body and I'm 26.

We sneaked away and ended up in her bedroom, where she wasted little time getting my cock out.

She sucked me off, taking me to the back of her throat, and then I licked her lovely, bald, moist fanny.

I then f\*\*ked her hard and fast from behind before shooting my load deep inside her.

She says that she wants to make it a regular thing and – this is the the worrying part – her husband knows all about it. In fact, she says he wants to watch next time.

I think it's all a bit pervy, but she is really fit and I'm tempted. What do you think I should do?

**SHOW** her man how it should be done!

I'm 36 and I recently got married for the second time. My new husband is sweet and very generous and he gets on well with my two children.

But unfortunately he's a dead loss in the sack and I am always left frustrated after intercourse.

So recently I have been seeing my ex-husband behind his back. He is an amazing performer in bed and never fails to make me orgasm.

We get together on Saturday afternoons, while my husband goes to watch the local cricket team, and I always feel satisfied after our rampant sessions .

Last week my hubby went to an away match – and within 30 minutes of him leaving my ex was knocking at the door.

We stripped and he brought me off with his tongue before I sucked him off. Next I got on all fours and he thrust into me from behind – just a routine session with this horny man!

But now I'm feeling guilty. What should I do?

**STOP it, plain and simple**

## Bum deal with the wife wasn't what I expected

OVER the last six months my formerly frigid wife has turned into an absolute sex maniac. I've no idea why, but I'm certainly not complaining about this welcome turnaround in our sex life.

She even likes it when I wear her stockings and suspenders while I give her one.

And when she mentioned she'd like to try anal sex for the first time last week, I was well up for it.

So after lots and lots of foreplay – using some lube on my gentle fingers around her ringpiece – I got her on all fours and started teasing her arse with my cock.

But just as I was about to ease

She explained she wanted to take ME up the arse instead and then reached under the bed and brought out a huge, black strap-on dildo.

Obviously, I was shocked and just a bit annoyed – and I told her to f\*\*k off.

But she's not let me near her since What can I do?

RD, Cornwall

# I'm crazy for more nookie with busty babe next door

**Dear Tess,**

**FOR the past year I've had this fantasy about shagging my next door neighbour's wife.**

She was a blonde but changed her hair colour to cherry brown because I told her it might look sexier. She's in her late 30s and I'm only 19.

It all started when I saw her topless sunbathing on a recliner in her back garden.

Her tits were huge and very sexy. She was rubbing suntan lotion into her knockers and she saw me stood there with my cock bulging through my tiny shorts.

I thought she'd run back into the house to cover up, but instead she smiled back and told me she was simply trying to grab her husband's attention.

## Nipples

But now she had seen how big I was, she was glad to have mine instead!

I told her I'd always loved older women and my fantasy was to shag her in the garden and blow my hot, sticky load all over her gorgeous breasts and plump arse.

I thought she'd tell me to f\*\*k off, but she was loving all the attention.

Unfortunately, she said the time wasn't right and her husband would get suspicious if I kept trying to chat her up.

After that I'd stand naked in my bedroom window at the back of the house and wank while she watched from her garden.

Then one morning I came back from

my run and was getting changed in the bedroom when I saw her in the garden again.

She was topless again – with those magnificent tits out – and when she saw me she smiled and started to play with her nipples.

Then she disappeared inside, leaving me nursing a semi.

But then the phone rang and it was her on the other end, inviting me round to hers as her hubby was away.

Well, I must have broken some kind of landspeed record, as I flew downstairs and out the kitchen door – leaping the fence between our two gardens and almost kicking her back door in, so to speak!

There in the kitchen, she pulled my shorts down, got on her knees and started sucking and licking all over my hard cock and swollen bollocks.

It was the best blowjob I'd ever had

and I knew I couldn't hold on much longer as I unleashed a hot load down her throat.

She eagerly swallowed the lot, slurping out every drop from my throbbing bellend.

I then pulled down her skirt, bent her over the table and got my rock-hard cock straight up her, pounding away until we both climaxed together.

But since then we've gone back to wanking at each other through the window.

I'm crazy to f\*\*k her again but all my mates keep warning me that she's just stringing me along.

What do you think?

*GC, Surrey*

**Tess says...**

**ARRANGE another session when she's alone.**

# I fulfilled porn-style threesome fantasy

**Dear Tess,**

I SHAGGED my bird and her fit mate a couple of nights ago. This was the first threesome I've ever had and I have to say that it was brilliant.

I'd fantasised about being in bed with two women from being in my late teens.

And it was fuelled by watching porn films, where two stunnas hungrily take it in turns to slobber all over some lucky guy's knob.

Me, my missus and her mate had been down the local pub and ended up back at my flat after having a load to drink.

My bird and her pal, who are both blondes, started playfully kissing each other, so I got my seven-inch cock out and they started licking it in turn.

## Licked

I then did my bird from behind while her mate got underneath me and licked and played with my swollen balls.

Then I did her pal. It was amazing – her fanny was tight and I couldn't help myself and after only five minutes I pulled out and shot my load over her boobs.

I shagged them three times each and watched as they licked each other out.

I'd love another go, but when my bird had sobered up the following morning she said it was a mistake and will never happen again.

What can I do to make her change her mind?

*JR, Humberside*

**Tess says...**

**GET them pissed again!**

**Dear Tess,**

I'M an extremely rich executive who has pulled himself up by his bootstraps to make it to the very top.

I have a lovely house, several nice cars and a beautiful wife.

I also play a lot of golf – and recently I've been doing something I shouldn't.

I was bored one day when I had a flash of inspiration and decided to hire a hooker to come up to my office and spread her legs on the carpet.

Then I used her fanny for putting practise.

At first I'd just roll a couple of balls toward her hairy gap and pay her to be on her way.

But since she's shaved off all her pussy hair, I find myself spending hours putting balls into her moist tunnel.

She's quite an accommodating girl and can get two or three golf balls up there at one time.

The trouble is, every time I go out on the golf course now, my putting is all over the shop without a fanny to aim at.

Do you think I should bring this girl on the course with me and get her to spread them on every green?

## LINDA LUSARDI

By **SIMON DEAN**

[simon@sundaysport.co.uk](mailto:simon@sundaysport.co.uk)

**THERE are legends, there are icons and then there is Linda Lusardi!**

Along with Sam Fox, Linda was Page 3 royalty back in the Eighties.

Born on September 18, 1958 in Wood Green, London, Linda started her modelling career aged 18 in 1976 in a little-known newspaper called *The Sun*.

But when *Sunday Sport* came along in 1986, Linda hit the glamour big time.

And she was one of the few topless models to make the transition to the mainstream.

As an actress, Linda has appeared in TV shows like *The Bill*, *Hollyoaks*, *Brookside* and *Emmerdale*. She took part in the 2011 series of *Celebrity Masterchef*, where she reached the final five.

Now 60, Linda is a favourite of pantomime and often stars with her husband Sam Kane each Christmas at major UK theatres.

She has now starred in more than 25 pantomimes in places such as Woking, Southend, Plymouth and Llandudno.

**I CAN never be described as a shy type. In fact, I get really turned on by being dominant and bossy in the bedroom.**

I have a really high sex drive and when I'm in a relationship I just love to take the lead and climb on top of my fella.

So if you're with me, you'd better be okay with me getting randy a lot and sitting on your face and demanding you lick my pussy!

I love that position, it drives me wild and makes me cum so hard.

But I'm also very giving. I love to have my man wake up with his cock in my mouth – licking it slowly at first, then really going for it and sucking it, taking it deep down my throat.

**Kinky**

I love my body and I love sex and I'm not afraid to really enjoy myself and give that pleasure back.

At times I really unleash my inner dominatrix, where I'll be selfish and take all the pleasure.

I have a huge selection of kinky outfits – including skin tight leather cat suits and frilly lacy underwear.

I love getting dressed up, it makes me feel so confident and sexy.

I think men are very visual in bed and I really make the effort for my fella to both see and feel my sexual and sensual side.

I'm single right now – so I'm on the lookout for the right face to sit on!"

Liam, 33, from Hull, asked for a sexy photo of 28-year-old beauty Patty, from Enfield, north London and we've dug out this sultry snap.

Patty looks sensational with her blouse pulled open and her fantastic 34F norks exposed.

Shop assistant Liam said: "She's my ultimate girl!"

He said: "It might be illegal to look at your mobile phone while driving but it should be illegal to ogle Monica's 32C boobs."

"She's an absolute scorcher and I'm gonna keep the picture in the cab – she'll definitely make those miles easier!"

WON IT THREE  
TIMES: Emery

## EMERY TO MAKE IT A FAB FOUR

THE 198th London derby between Arsenal and Chelsea will be played in Baku — 2,864 miles away — tonight. The prize is the Europa League for the Blues with a place in the Champions League next term an added motivation for the Gunners as they go in search of their first European trophy since 1994.

Will the Gunners thrive with the Holy Grail of Champions League football the carrot, or will a more relaxed Chelsea bring the curtain down on the Stamford Bridge career of Eden Hazard with another major trophy?

Chelsea are 13/10 favourites at BetVictor with Arsenal 2/1 and a draw 5/2. Maurizio Sarri's side are 4/6 to win the trophy while it is 11/10 that Unai Emery adds a fourth Europa League to his CV after a hat-trick of wins when in charge of Seville from 2014 to '16 inc.

Arsenal's last eight goals in the competition have been shared by Pierre-Emerick Aubameyang and Alexandre Lacazette and Emery has found a successful system to play both stable stars in his starting XI.

Aubameyang is 13/8 to find the back of the net in Baku during the 90 minutes with Lacazette 21/10. Former Gooner Olivier Giroud has scored 10 for the Blues in Europe this term and it will be interesting to see if Sarri starts the Frenchman in front of Gonzalo Higuain who has been poor since joining in January.

I feel both teams will score — 4/6 at BetVictor — on the night but the injuries to Antonio Rudiger, Ruben Loftus-Cheek and Callum Hudson-Odoi sway me towards Arsenal. There I've said it. Never thought I would.

### Earth

The Gunners were excellent in Valencia in their second leg semi-final and I feel they will hit the Blues hard on the break courtesy of their in-form strikers.

Arsenal to win and both teams to score is the tip at 5/1 with BetVictor.

England begin their quest for a first cricket World Cup against South Africa in the curtain-raiser tomorrow and Eoin Morgan's side were brought back down to earth at Southampton on Saturday when they lost to holders — and my selection — Australia.

England are 2/5 to beat South Africa (7/4) at BetVictor and make a winning start to their World Cup challenge. South Africa's skipper Faf du Plessis' will be delighted to see the return to form of Hashim Amla who scored a run-a-ball 65 in their first warm up match with Sri Lanka and was 51 not out against the West Indies when the rains arrived in Bristol on Sunday.

Eoin Morgan's side deserve to be favourites but 2/5 is too short against a Proteas' side who do not have the weight of expectation as has often been the case in the past when they have choked.

There is no AB de Villiers but they have a good pace attack, talented leg-spinner in Imran Tahir and a long batting line up. They will have their fans at 7/4 and Jonny Bairstow and Jason Roy are likely to find Kagiso Rabada and Lungi Ngidi a different test to the Pakistan attack they have been dining on in recent games.

HEADING FOR

## Kante Baku in the nick of time

### N'GOLO WINNING RACE FOR EUROPA FINAL

**CHELSEA are hopeful that N'Golo Kante will be fit for tonight's Europa League final against Arsenal.**

The France international missed the final weeks of the season with a hamstring strain — but had recovered from that.

The late scare came when the vital midfielder twisted his knee in training.

A scan has confirmed that there's no ligament damage and he will have a late fitness test in Baku.

Chelsea are confident that he will be able to make the starting XI.

Meanwhile, Tammy Abra-

By PAUL THOMAS

ham believes he can solve Chelsea's striker problem next season.

The young hitman has been instrumental in firing Aston Villa back into the Premier League during his time on loan in the Championship.

The 21-year-old knocked in an impressive 26 goals for the Villans and played in the play-off final success.

Now he wants to come back to his parent club and show whoever's boss that he has what it takes in the top flight.

Abraham said: "The aim is to be at the highest level and playing the best football, and if Chelsea say they need me

there I will put 100 per cent in.

"Every player wants to start. Obviously if it is at Chelsea, a team like Chelsea is always difficult because they have got world-class players.

"It is always going to be difficult to bring in youngsters and bring in people like myself — it is a big role.

### Permanent

"But for me, it is about believing in myself and just keep doing what I do."

Villa have made no secret that they would like to make Abraham's move a permanent one and will step in if Chelsea can't offer first-team

football. Abraham added: "First of all I just need to enjoy myself with the boys before I think about the future.

"I have got the Euro Under-21s coming up as well so I have to focus on that. You can never say never. You never know what could happen.

"I have developed a lot as a player. Coming here it was always tough, there was always a lot of pressure.

"People were questioning if I could score the same amount of goals as I did last time. I just believed in myself.

"I give credit to the boys, they created a lot of chances for me this year. I've scored a lot of goals and we've got promoted."

# THIRD TIME LUCKY

## Klopp desperate to finally land Champs Lge after two flops

**LIVERPOOL boss Jurgen Klopp hopes his experience of losing two Champions League finals will help his side to beat Tottenham on Saturday night.**

The Reds were beaten 3-1 by Real Madrid in last season's showpiece and the German suffered heartache against Bayern Munich when in charge of Borussia Dortmund. He hopes the lesson learned from those nights will be a major help in Madrid.

Klopp said: "We are all very excited about having the chance again."

"Last year we played it, and four years ago some of us played another final so we probably have more experience."

"It's about dealing with the situation, and so far we have controlled our emotions. It's pure excitement and we are looking forward to it."

Liverpool have just key player missing as midfielder Naby Keita has been ruled out with a groin injury.

Roberto Firmino was the other doubt but he's back in training and should play a full part in the game.

Klopp added: "There's no chance for Naby but he's progressing well. Bobby was part of training last

By JOHN ANTHONY

week and will be a part again tomorrow. He's looking good so he will be part of the final, I'm sure."

Klopp believes that this Liverpool side is better than the one that were beaten by a couple of Gareth Bale goals last year.

He has a better goalkeeper for sure and it was due in no small part to Loris Karius that they lost 12 months ago.

The German said: "I don't like to blame my other team — I love them all — but I've never been part of a final with a better team, that's true."

"Our boys mix potential with attitude in the best way I've ever seen."

"After Barcelona, nobody believes more in this team than the team itself. We wanted it really badly."

Klopp realises it won't be like a usual European Cup final with two Premier League teams going toe-to-toe. Results have been tight between the teams in recent seasons.

He said: "It looks at the moment that it is not unlikely two English teams could be in the final again."

"It is a proper European final, it is not a third game against Tottenham. It is a proper European final."

"It will be very tight, no doubt. The quality of us and Spurs is very similar."

"We know a lot about Tottenham but we have had three weeks since our last game and in three weeks I would have known the name of the groundsman of Barcelona, for example."

"Up until now the biggest moment of my career was in 2004 in getting Mainz promoted."

"Winning the Champions League final with Liverpool would be the new highlight."

BACK IN ACTION: Roberto Firmino

CROCKED: Naby Keita

CHANCE: Johnston

Kingsley too good north of border

**WINNING POST**  
WITH BEN MORGAN

THE best horse on show today could be CHARLES KINGSLEY (NAP) at Musselburgh.

Mark Johnston's horse has hinted he has plenty more to come over middle distances this season on more than occasion so far.

The form he has shown ties in with some improving types and a repeat of his performances in recent weeks should see him take the 2.50.

He will have to shoulder top weight but his rivals don't look as good as some of the horses he has been coming up against, so he gets edges the vote.

Earlier on the card at Hamilton, I will be disappointed if MR FUDGE can't do the business in the first.

Richard Fahey's charge ran an encouraging race first time up but underwhelmed next time out at Beverley.

However, I think that race could work out alright so the form doesn't look as bad considering he was shouldering a 5lb more than the horses that finished around him.

**Boost**

Sean Davis takes off a valuable 5lb today and that should be enough to see Mr Fudge score.

In the 4.55 at Hamilton, I hope EURO IMPLOSION can improve on his promising comeback run at Beverley.

Keith Dalgleish's three year old ran his best race to date yet on his return from a break and the form of that race has already received a welcome boost with the second horse coming out and winning at Haydock last week.

The front three pulled clear and although I can't see them sky rocketing up the handicap anytime soon, I do think it is tidy form at this level.

I was most disappointed when FINALSHOT broke loose at Stratford 10 days ago as he looked to have an outstanding chance of opening his account.

Henry Daly and his team will be hoping to keep a lid on him tonight at Warwick and he has a chance to notch his first success.

Richard Johnson takes the reigns and his years of experience and unrivalled talent will be able to coax the best out of Finalshot. ■ Ben's Lucky 15 - Charles Kingsley, Mr Fudge, Euro Implosion & Finalshot

# LAMPARD RAMS IT HOME

FRANK Lampard will pledge his future to Derby — if the club can match his ambitions.

Amid strong rumours that Chelsea want him to replace Maurizio Sarri, the Blues legend will hold talks with County bosses.

Lamps has made a good start to his career in the dugout but fell just short of steering the Rams back to the Premier League.

They went down 2-1 in the play-off final against Aston Villa — but that doesn't mean Lampard will be leaving Pride

By ANDY MILLOM

Park this summer. He said: "I spoke to Mel Morris three days before this game and we said we'll sit down and talk, and that any talk around that is irrelevant."

"I've got a two-year contract here, I've loved working here and I want to continue that, I want to continue progressing with the club."

"I have to say after my first year and the opportunity that this club gave me, it's massively

important that everyone understands that's my overriding feeling. That's where I am.

"The squad will break up a bit, naturally. The loans go, whether we can get any of them back remains to be seen and a lot of players are out of contract so there's a lot of work to be done."

Villa managed 10 wins from their final 12 games of the season to make the play-offs.

And boss Dean Smith is confident his team can survive in the top flight.

He said: "Reality has just set in. It all feels a little bit surreal

but it's no more than those lads deserve and no more than this football club deserves."

"The potential of the club is massive. It feels right."

"I believe this is a Premier League club. That's not me speaking with a supporter's head on. The club's history tells you that."

"We've fallen on hard times. Last season was tough for everyone who went through the defeat here to Fulham."

"The players and the owners deserve what we are going to get."
